<sup>9</sup> These per item fees are imposed for overdrafts created by checks, in-person withdrawals, ATM withdrawals, and other electronic means (as applicable). For accounts flagged as 18/65, the \$35 per item fee is reduced to \$5 per item. NSF fees will be limited to five (5) fees per day that can be charged to your account. We will not charge a fee to your deposit account when we decline or return an item unpaid due to insufficient or uncollected funds, but you may be charged a fee by the payee for the returned payment. Should a transaction overdraw your account in the amount of \$5.00 or less, your account will not be charged.

<sup>10</sup> If the item returned is drawn on an account held by the Salem Five account holder at another bank, the fee assessed is \$7.50.

<sup>11</sup> Per statement, deposit slip or check (first 25 checks requested annually per account are free).

<sup>12</sup> The inactivity fee will be imposed on checking accounts if the average daily balance is below \$250.00 and the account has been inactive for the preceding 12 months. The Open Account, 18/65 Checking without Interest, and 18/65 Checking with Interest are not subject to this fee.

<sup>13</sup> If your account requires eStatements, Salem Five may assess this fee if you fail to register for, or at any time you discontinue, receiving eStatements.

<sup>14</sup> Additional charges may be assessed by intermediary bank(s). These charges will be deducted from the check or wire transfer proceeds.
